PATIENT INFORMATION

The Staff of Robert E. Jepko, DDS welcome you to our office. We are committed to providing the highest quality endodontic care. Root canal therapy is an attempt to save a tooth that would otherwise require extraction. This treatment requires a significant financial investment in your dental health. If you have any questions regarding our fees or our insurance policy, please do not hesitate to contact our office.

Financial Considerations

Consultation only: Full payment is expected the day of your appointment for the exam of \$50 and CBCT of \$125 (if needed) regardless of insurance.

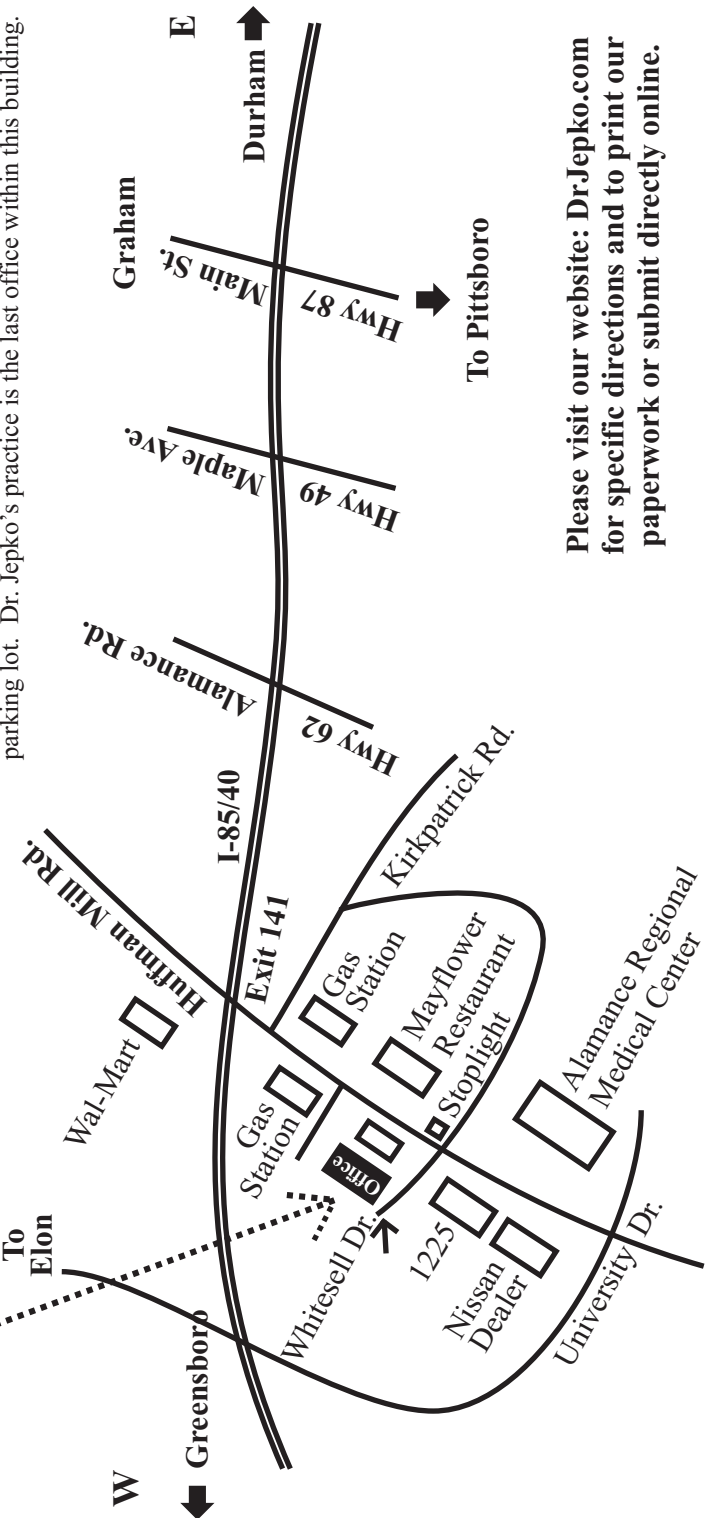

Endodontic Treatment: Full payment is expected on the day of treatment. Please call for our fees. Knowledge of your insurance is your responsibility. We will help you file your insurance claim.

Emergency Patients: Bring your insurance information to your appointment. Your visit could involve a consultation, partial treatment or full root canal therapy, payment as discussed above is expected. We may be working you into our schedule, your patience is appreciated.

PREMEDICATION: Patients with congenital heart disease, bacterial endocarditis, artificial heart valve, or artificial joints may require premedication prior to treatment. Contact our office with any questions before your appointment.
